PROFILE

I am a career makeup + hair artist that specializes in broadcast television, film and camera-ready beauty for high profile on-air talent, political figures and professionals. I am the owner and senior Artist of Capitol Bride, a Washington, D.C. based bridal beauty concierge for modern luxe weddings and elopements. I have been in the beauty industry for 11 years and I am currently seeking to expand my work experience in episodic, special fx and feature films. In 2020, I will be applying to the Local 798 Hair + Makeup union to build stronger industry relationships and support the Artist community.
